A Day of Intentional Soul Soaked Dreaming Brings Growth and Possibility to Chicagoland with Headliner MC YOGI

Oswego, IL (November 3, 2015) – **soul LOVE fest** comes to the farmland of Chicago’s western suburbs at Arranmore Farm and Polo Club on September 17, 2016. This inaugural one-day retreat will bring thousands of yogis, BIG life seekers, and like-minded souls to experience 100+ inspirational workshops, transformative events, and outdoor activities. Vendors across all fields of mind, body, spirit and adventure will be available to attendees all day in **soul LOVE village**.

”By pushing your body, quieting your mind, expanding your prospective, and connecting with others, you will eventually find yourself opening to what is possible,” said **soul LOVE fest** co-founder Darcie Purcell. “It won’t happen in one day, but we can promise you will start to feel the shift and have a pretty awesome day giving your soul a little love.”

The day’s events are currently being crafted and speaker announcements will continue throughout the coming months. To date, the impressive line-up of talent includes:

- **MC YOGI** is recognized as a leading voice in the emerging genre of conscious music. Blending his love and knowledge of yoga culture with hip hop, reggae, and electronic beats, MC YOGI is becoming known as yoga’s modern-day ambassador to the West.
- **Biet Simkin** is a meditation leader, musician and the founder of Center of the Cyclone, an immersive experience that weaves meditation, self-inquiry, art, music and fashion. Her latest album ‘The Lunar’ debuted in September 2015.
- **Julie Santiago** is a certified holistic health/life coach and yoga teacher, specializing in guiding women to their life’s true purpose. A former ‘Wall Street trader, it is now Julie’s mission to connect people back to their hearts.
- **Ben Nemtin** is one of the creators and stars of MTV’s *The Buried Life*. Ben and his friends made a list of ‘100 things to do before you die’ and for every list item they accomplished, they helped a stranger do the same on his or her own list.

- **Izzy Arkin** is a former middle school teacher who quit his job to pursue his childhood dream – to become a ninja. He teaches people how to create epic lives via his sites: The 30 Year Old Ninja and Why Not Live an Awesome Life.
- **Stefanie Ziev**, America's Life Coach, is a former TV Executive who appears regularly as an expert on NBC's *Today* show, including the segment *Coach Me If You Can*, as well as SiriusXM Satellite Radio on various channels. She's on a mission to help people claim their purpose and bring it to life through a massive support system and global accountability community called On the Hook™ Movement.
- **Gabrielle Blachley-Hawkinson** is a certified Akhanda Yoga instructor and founder of Monarch Yoga School in San Diego. Her belief is that yoga is limitless in its potential to transform and heal.

Discounted Early Bird All Access and VIP Passes will go on sale on November 2, 2015. Space is limited. For more information and tickets, please visit: www.soullovest.com

About soul LOVE fest:

soul LOVE fest, is a one-day retreat focused on yoga, wellness, growth and MORE across all fields of mind, body and spirit. What sets **soul LOVE fest** apart is the "MORE" – this is where the magic happens with inspirational speakers, bucket list and goal-setting strategy workshops, and one-on-one life coaching. The company was founded by Darcie Purcell and Susan Marzano, who have worked together professionally for over 10 years, planning events and building brands in the culinary world. They are connected by their own constant quest to live BIG lives and wanted to create a space to pause, reconnect, nourish the soul and meet people wherever they are on their journey.
